

# Virtual Classroom

## FAQ's

### 1. About BTE Virtual Classrooms?

BTE Virtual Classroom is a digital replica of a traditional classroom or training room. The instructors teach, and the participants learn in real-time, face-to-face but via internet-enabled technology devices. The classroom whiteboard remains intact. Brainstorming, ideation, and discussions happen in real-time. Moreover, the online classroom typically incorporates more communication tools, such as chat, open discussion boards, polls, multimedia content and social media.
